Another feather in legendary s

Quill's cap

SOCCER

By STEWART ROACH

SOCCER legend Alf 'Artie' Quill was at his New Lambton home watching television last night with his wife, Kit, instead of attending a ceremony in Melbourne where he and five other people were inducted into the Australian Sports Hall of Fame.

But the soccer wizard of the 1930s and 1940s had no regrets about missing the pomp and ceremony at the Carlton Crest Hotel.

'I couldn't get there because of my gammy leg,' Quill said.

'It's a great honour. I wrote to them and apologised that I could not get to the induction.'

Quill, 86, suffers from diabetes and had his famous goal-scoring right leg amputated 18 months ago, confining him to a wheelchair.

But that has not lessened his interest in soccer or denied him the glory of finally being recognised in the Hall of Fame.

He is the first soccer player before 1951 to be recognised as a full Hall of Fame member, joining fellow Novocastrian Ray Baartz, Johnny Warren, Peter Wilson and Joe Marston, who played in the 1951-1975 era.

Quill is second only to immortal Brazilian star Pele on the list of leading goal-scorers in first-division matches.

When he hung up his boots in 1949, Quill had scored 1002 goals in first-class matches, had won 19 Australian representative caps and 30 for NSW and scored 134 goals in international fixtures.

Quill officially played only two internationals and three Tests because of Australia's dispute with soccer's governing world body, FIFA. But he played another 14 unofficial matches, taking the field against New Zealand, England, China, India, Israel and South Africa.

He played a staggering 538 games and scored 868 goals outside representative football.

In 1937, his right boot hammered 70 goals in 22 grade matches and 23 in 10 representative fixtures.

Quill's career began in Sydney with Pyrmont, where he was born, in the under-18s in 1927. It took only three matches for him to win State selection.

The following year, he was in the Annandale-Leichhardt first-grade side, where he stayed for two sea-

sons, before transferring to Wallsend, where he also coached for 10 seasons. He joined Goodyear in Sydney in 1934 for three seasons and rejoined the Wallsend Red Devils in 1937, staying until 1949.

His fellow Wallsend and representative striker mate, the late Reg Date, who scored 952 goals in his career, was also nominated but was overlooked again this year.

Quill remained active in soccer after his retirement from playing. He was involved with Adamstown

Rosebud and the formation of Newcastle KB United, acting as manager of the youth squad as well as being a foundation member.

Also inducted into the Hall of Fame last night were yachtsman Rolly Tasker, cricketer Monty Noble, swimmer Bonnie Mealing, former hockey star Liane Tooth and ironman Grant Kenny.

The highlight of the night was the elevation to Legend status of five-time Olympic equestrian Bill Roycroft.

Also honoured last night were 1996 Olympians Cathy Freeman (athletics), Susie O'Neill and Kieren Perkins (swimming), paralympian Louise Savage (athletics) and 500cc world motorcycle champion Michael Doohan, who were listed on the Hall of Fame Roll of Honour.

Legendary horse trainer T.J. 'Tommy' Smith, basketball administrator Ivor Burge, surf lifesaving official Alan Welpton and racing commentator Bill Collins were awarded associate membership.

He made history

IT took years of hard work by the Northern NSW Soccer Federation to have Alf 'Artie' Quill included in the great players recognised by the Australian Sports Hall of Fame.

When Quill was finally given the honour he deserved last December, he became the only pre-1950 soccer player inducted into the national sporting pantheon.

Perhaps the late recognition of his dazzling skills was due to the fact that he played his soccer between 1928 and 1949, before the post-World War II wave of European migrants led to changes in the sport.

Yet the standard was hardly poor in Quill's playing days so that his tally of 1002 first-division goals, including 134 kicked while playing for Australia in international matches, was proof of an exceptional talent.

While Quill's on-field exploits with the Wallsend club ended almost half-a-century ago, he actively promoted soccer for decades after. When he was in his late 60s and early 70s he was managing Newcastle KB United's youth team.

Quill was already part of soccer history before he died yesterday and he was proud to have his achievements recorded in the annals of the game.

'It's history that makes the game and people make history,' he said in 1991. Alf Quill certainly did just that.

Final whistle for one of soccer's greats ¹⁴⁻⁵¹

By STEWART ROACH

SOCCKER legend Alf Quill, second only to immortal Brazilian star Pele as the highest goal scorer in first division soccer, died yesterday, aged 87.

Quill, of New Lambton, was born in Ultimo, Sydney, but is regarded as one of the greatest soccer players to come from the Hunter Region, after playing almost his entire senior career with Wallsend.

In typical fashion, Quill battled diabetes, then cancer over the past few years, having his goal-scoring right leg amputated three years ago.

He lived long enough to be inducted into the Australian Sports Hall of Fame last December.

Daughter Marilyn Freeman said her father had been in and out of hospital over the past two months.

Quill scored 1002 goals in his first division career, which started with Annandale-Leichhardt in 1928 and ended in 1949 with the Wallsend Red Devils. He played 538 grade matches, scoring 868 goals, as well as representing Australia 19 times and NSW on 30 occasions while scoring 134 goals in international fixtures.

He coached the Australian representative side against Yugoslavia's Hadjuk Split Club in 1949.

The nuggety Quill, who had a great turn of speed on the field and magical ball skill, represented NSW after only three matches with the Pyrmont under-18 side in 1927 and first played at Wallsend in 1931.

He then played for Wallsend for two more seasons before being offered employment to play with Goodyear Tyre and Rubber Company in Sydney for three seasons from 1934 but returned to Wallsend for the 1937 season.

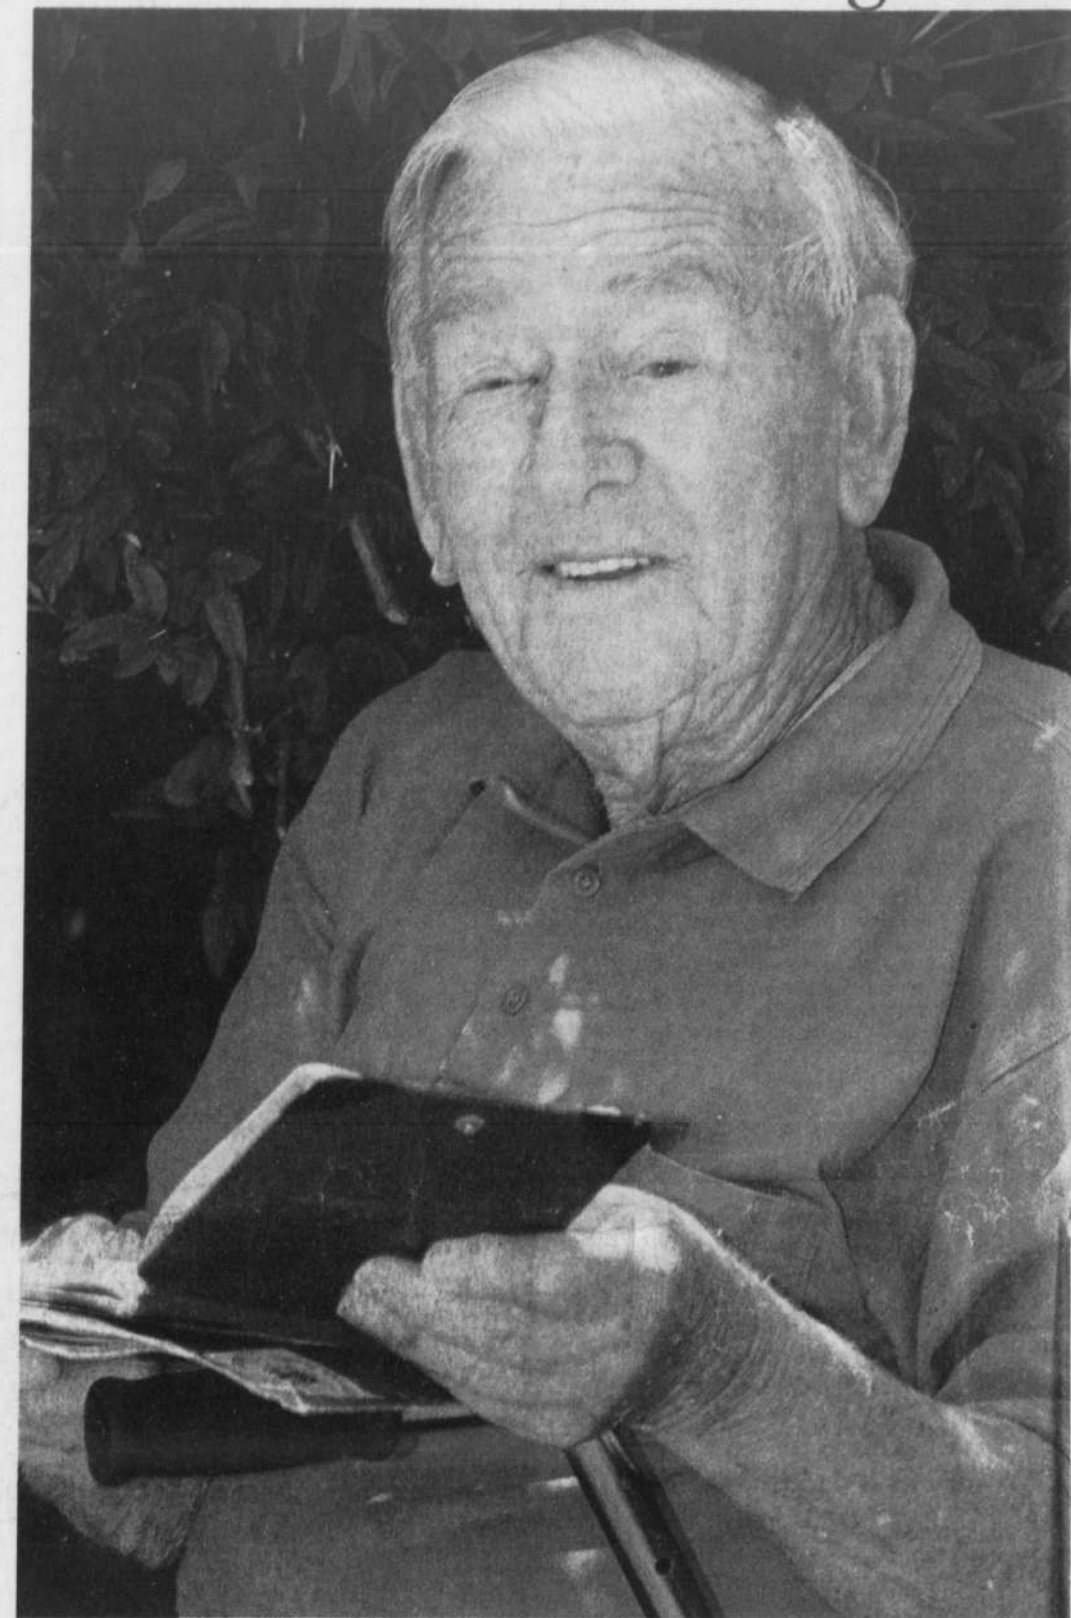

That season Quill scored 70 goals in 22 club matches and 23 goals in 10 representative appearances.

He played the 1943 season with Lake Macquarie then remained at Wallsend until his retirement in 1949.

He retained his interest in soccer and was a team manager for Newcastle KB United when it was formed in 1978 and was a committee-man at Adamstown Rosebuds club.

Quill, often known as 'Artie', coached Wallsend for eight seasons after his retirement as a player.

His love of soccer was passed down to his grand-

sons, who are playing senior soccer in the Northern NSW premiership.

Quill was inducted into the Hunter Region Hall of Fame in 1993 and last December became the only pre-1951 Australian soccer player to be honoured in the Australian Sports Hall of Fame.

Quill is survived by his

wife of 61 years, Kit, daughters Judith and Kit, grandchildren Jason and Janene Aird and Karl and Jenni Freeman and a great-granddaughter, Katelin Aird.

His funeral service will be held on Tuesday at 11.30am at the Crooks and Pettigrew Chapel at Wallsend. Editorial, Page 10

A fine soccer tradition let 'em die

GETTING help from the Northern NSW Soccer Federation is like having a death wish,' the caller said in a telephone conversation early last week when he wanted to discuss Adamstown Rosebud soccer club's doomed future.

Just ask Cardiff, Lake Macquarie, Wallsend, West Wallsend and even the Breakers.

'Every time the federation says they'll help out, the clubs seem to get into worse trouble,' an obviously well-clued soccer supporter said.

'How can the federation officials say they hadn't heard of Adamstown's problems until last Saturday when every man and his dog have been barking it for ages,' the caller said.

Maybe he is right, maybe a bit harsh.

But what I can't understand is why someone hasn't done enough to

10/3/1997

Roach on Monday
Stewart Roach

save the 107-year-old Buds.

It's no wonder there is not a lot of tradition in Australian soccer.

Here we have the oldest club still playing in Australia and no-one could give a hoot whether they play on or fold, certainly not the Northern Federation or for that matter the NSW body.

Soccer has a history of being able to self-destruct every decade or so.

The annals of the Northern

Federation are full of stories of uprisings and turmoil.

The Rosebud club probably hasn't helped itself by relying so much on the licensed club opposite the home ground. Things there seemed to have fallen apart in recent times since the grand plan to redesign all the Adamstown parkland area was shelved.

In trying to save Adamstown Bowling Club, which the licensed club has earmarked for a future Rosebud club when they eventually sell off the Bryant St premises, they lost soccer support on the board of directors.

I'm told there are six bowling club members on the licensed club's board, which matches the vote of the other directors.

And the vote has been not to channel the extra money needed for Adamstown to pay off last year's debts and play in this season's State

League competition. They might have forgotten Adamstown was the beaten grand finalist after being first-round premier.

Unfortunately, the annual general meeting and election of a new board is a month away, probably too late to reverse the decisions of last week.

It was an interesting week of 'kick the ball' among executives.

Last Sunday, Adamstown admitted a financial crisis looked like bringing about its demise and that a meeting had been called between the NNSWSF, NSWFS and the football and licensed clubs.

NNSWSF general manager Gary Screen said the federation would 'do everything in their power' to help Adamstown and would 'be in constant touch with NSW Federation officials to try to construct a salvage plan'.

Screen was unavailable to the media on Monday, presumably

working behind the scenes on a Rosebud revival.

So it was surprising that NSWSF general manager Peter Thorne told my colleague Andrew Waugh on Tuesday afternoon that he was 'unaware of any major financial problems' at the 107-year-old club.

He said the NSW Federation had no responsibility for salvaging the Buds from any financial difficulties.

'We regard them as a very stable place... they are obviously quite rich in assets.'

By Thursday night, it was 'all over Red Rover' as the players pulled the plug after rejecting a plan to play for free.

Close the book, shut the gate and no thanks for your 107-year contribution.

Being cynical, I wondered if the NNSWSF had an alternate plan maybe even taking the State League

position and putting in their own representative team by grabbing a few players from each local club.

So much for history and loyalty.

It wasn't that many years ago when the Rosebud club doubled as the headquarters of Northern NSW soccer. And the federation's last two presidents, Dave Williams and Bill Walker, used to have Adamstown allegiances.

Rosebud has produced great Australian players, maybe more than any individual club.

Adamstown's Alex Cameron was Australian captain and a legend back in the 1920s and '30s, then there was Massa Russell, Alan Johns, Billy Mahony and Cyril Nicholls through the 1950s and '60s, and there was none more celebrated than Socceroos vice-captain Ray Baartz along with the barrel-chested Col 'Bunny' Curran, Peter

Stone, John Doyle and 1997 coach Graham Jennings who kept up the club's tradition.

If all efforts have been exhausted to keep Rosebud in the State League, it is now up to the Northern NSW Federation to find a place for Adamstown in their first-division competition.

Petty bickering and jealousies by other clubs should be swept aside for Rosebud to be reinstated.

Local soccer struggles for promotion as it is, and not allowing Rosebud back would prove the competition doesn't warrant the support it receives.

My advice, for what it's worth, is to expand the first division to make room for Rosebud and reinstate West Wallsend to the top grade.

There might be a bit of work involved, but for soccer's sake it would be worthwhile.

NSW leaves Buds on a limb

10/3/97

SOCCER

By ANDREW WAUGH

ADAMSTOWN Rosebud's bid to enter the 1997 NBN Northern NSW Soccer League remained in limbo last night, with the NSW Soccer Federation board of directors set to determine its fate.

A decision by the NSW federation on whether to penalise the 107-year-old club for its late withdrawal from the NSW State Super League will decide whether it can play in this year's Northern NSW League.

A meeting last night between

the 10 Northern League clubs and Northern NSW Soccer Federation officials to vote on Adamstown's entry into the local league ended with five clubs for and five against re-admitting the Buds.

At another meeting held immediately after that, between Adamstown and Northern NSW officials, it was decided that no immediate decision would be made on Rosebud's entry.

The Northern federation will hold off on Adamstown's application until NSW decides whether to take any disciplinary action against the club.

But eight of the 10 clubs

believed that if Adamstown was admitted into the Northern League, the competition should be expanded to 12 teams.

The general manager of the Northern federation, Gary Screen, said last night that Adamstown had received a letter from NSW which indicated its board would investigate some form of penalty.

Screen said that if NSW penalised or suspended the Buds, Northern NSW would have to abide by the decision under FIFA laws.

NSW's general manager, Peter Thorne, said it would be premature to speculate whether NSW's

directors would penalise Adamstown.

Screen will meet with NSW officials in Sydney today on another matter but hopes to include the Adamstown issue on the agenda because the Northern competition begins on April 11.

But Thorne confirmed Adamstown's official withdrawal from the State League.

A statement he issued read, in part, that:

'The directors are concerned that this decision by the (Adamstown) club (to withdraw from the State League) has been made at such a late stage with the Super

League scheduled to commence in just over a week.

'... as a consequence of the decision ... the directors have resolved that the 1997 Super League will comprise 11 clubs and operate with a bye.'

Adamstown's under-13 to under-16 junior sides will still be allowed to compete in their elite junior competitions.

Another dispute was also brewing last night, with Adamstown Bowling Club president Les Arnott expressing disappointment at statements in the media by Adamstown Rosebud Soccer Club chairman Michael Wagstaff.

Wagstaff asserted last week

that a decision by Adamstown Rosebud Sport and Recreation Club to invest in Adamstown Rosebud Bowling Club had forced a drop in financial support for the soccer club.

But replying to that yesterday, Arnott said in a letter that:

'The Adamstown Rosebud Sports and Recreation Club (the club formed by the merger of the soccer and bowling clubs) has allocated funds in excess of \$380,000 to support the soccer club in the NSW State Super League competition since amalgamation in 1994.'

Buds' future still hangs in the balance

SOCCKER

15/3/1997

By **ANDREW WAUGH**

ADAMSTOWN Rosebud's playing future remained in doubt last night despite negotiations between the NSW and Northern NSW soccer federations.

Rosebud's bid to enter the NBN Soccer League remains unresolved, with the NSW Soccer Federation (NSF) yet to decide whether to punish the Buds from withdrawing from the 1997 State Super Soccer League competition.

NSF general manager Peter Thorne said yesterday he was unable to make a decision until the federation's full board had discussed the matter.

He said that was impossible at

the moment as several were overseas on official business, but when they returned the matter would be resolved as quickly as possible.

'The board will obviously discuss this matter in a rational and sensible way,' Thorne said yesterday.

'Being such a serious issue, we need the full board there.'

If Adamstown is cleared to join

the NBN league, the Northern NSW Soccer Federation (NNSWSF) will expand the competition to 12 teams.

NNSWSF officials met last night with the three second-division clubs, West Wallsend, South Cardiff and Lake Macquarie, pushing for the final first-division berth.

NNSWSF general manager Gary Screen said the federation would not announce which second-division club had been promoted until Adamstown was cleared to play and the revamped 12-team competition was therefore able to go ahead.

Meanwhile, Adamstown Rosebud Sport and Recreation Club has called a special general meeting for tomorrow for members to decide on how much financial assistance the

club should give Adamstown's soccer club.

All members are invited to attend the meeting.

The meeting comes shortly before Adamstown Rosebud Sport and Recreation Club's annual general meeting, to be held on April 6.

Bailey's boys defend crown

Highfields fought back
from a 1-0 deficit to
grab back-to-back
Newcastle soccer pre-
mierships yesterday.
STEWART ROACH
reports.

WHAT a difference a pre-
miership makes. Five min-
utes before the end of the
Northern NSW Soccer Federation
grand final yesterday, Highfields
Wolves captain Wayne Bailey ran
from the ground with his face
soaked with blood from a head
injury.

But the grimace of pain from the
injury disappeared into a huge grin
as Bailey returned in time to see
the Wolves grab their second
straight grand final victory with a
3-1 result against Broadmeadow
Magic at Jack McLaughlan Oval,
Edgeworth.

And a few minutes later, Bailey,
with his face cleansed of the blood,
was holding the premiership cup
high above his head to the hoots
and hollers of his team-mates and
club supporters.

The federation's player of the
year gained further honours when
he was named winner of the Dave
Williams Medal for the outstanding
player of the grand final.

Bailey hammered in the first goal
for Highfields to square the match
at 1-1 in the 32nd minute and was
non-stop in his midfield role until
sidelined with the head cut in the
85th minute after a melee in the
goalmouth.

The effort that earned him the
cut head also turned away
Broadmeadow's final chance of
fighting back to secure a premier-
ship double.

Broadmeadow won the minor
premiership by a point from
Highfields but did not beat the
Wolves or score a goal against them
in their three previous match-ups
during the season.

Yesterday the Magic managed to
change one of those statistics by
scoring the first goal.

Glen Moore gave Broadmeadow
the lead in the 29th minute when
he chested a corner by Goran Simic
into the back of the net.

But Bailey equalised with
header in the 32nd minute the.
Ryan Lindsay gave the defending
champions a 2-1 lead in the open-
ing 30 seconds of the second half
and Adam Dearing hammered in a
30m shot in the 68th minute to seal
the result for Highfields.

Last year Highfields also fin-
ished runner-up in the minor pre-
miership before beating previously
undefeated Weston Bears 3-2 in the
grand final.

Yesterday Highfields again
showed the confidence that saw it
go through the second round of the
premiership and the play-offs
undefeated.

'Man to man they were too good
for Broadmeadow,' elated coach
Steve Bland said after the match.

'We started slowly and all credit
must go to Broadmeadow for the
way they opened the game.

'We came back strongly and were
better man to man and stronger
and more direct in what we were
doing.

The goals we scored today were
great goals.

Ryan Lindsay's goal was very
timely and a great effort.

He climbed and won it clean and
buried it in the back of the net.

'Dearing is a big-match player

and is capable of scoring a goal like
that each week.'

Bland said he had replaced
Bailey because of the bleeding.

He copped a stray elbow, and
head wounds tend to bleed a fair bit
and we couldn't patch him up in
time.

'It won't stop him from partying.'

The grand final was played in
blustery conditions in front of a
crowd of 3129, with Neil Jones con-
firming his position as the federa-
tion's top referee by being awarded
the match.

Broadmeadow had the early
advantage running with the wind
but Highfields were first to be

denied a goal when Magic keeper
Darren Moore fended off a shot by
Dearing from a cross by Cameron
Fitchett in the 24th minute.

Magic defender Chris Acevski
continually pushed his team for-
ward in a non-stop effort and the
minor premiers were rewarded in

the 29th minute when Wolves goal-
keeper Craig Shanko was caught
out of position and Glen Moore
guided the Simic corner into the
net.

Bailey's equaliser in the 32nd
minute found keeper Moore out of
position and both sides traded
shots for the remainder of the half.

YESTERDAY'S grand final was a triple treat for Highfields Wolves coach Steve Bland but a case of third time unlucky for rival coach Richard Hartley, of Broadmeadow Magic.

Victory yesterday gave Bland his third triumph as a coach in a grand final while Hartley suffered the agony of his third loss from three attempts.

One of Bland's previous successes was with West Wallsend, also beating a team coached by Hartley, in 1992.

Bland had to rebuild the Highfields top-grade side after losing five players after the grand final victory last year and will now have the chance to go for three straight.

Bland is already committed to coaching the club again next season.

'I hope we can hang on to all these boys for next season,' Bland said.

'We dropped points early this season even though we were playing well, but we weren't up to speed and what we were capable of.'

'It took us time to settle in then we came home with a wet sail.'

'We went through the second round without being beaten and only got beaten for the championship by a point, and we got beaten in the Arctic Cup on a penalty, so it's been a pretty successful season.'

Hartley has previously taken Croatia and Wallsend to the end-of-season matches.

He gave credit to Highfields for being the better side on the day.

'We did well in the first half but were surprised by that goal at the start of the second half,' Hartley said.

'We hit the post a few times.'

'What we have to do now is take stock. We might have to lose one to win one.'

'It's all part of the development of the club.'

'There has been a huge learning curve within the club this season, so if we take stock and realise this is part of the learning process, maybe we can win a grand final.'

It was Hartley's first season with the club and he will be back at Adamstown Oval coaching the Magic next season.

Steve Bland & Wayne Bailey

hit the post with a shot from a Glen Moore freekick.

The spectators had hardly settled into position for the second half when Lindsay leapt high and perfectly timed a header to beat Darren Moore for Highfields to jump to a 2-1 lead.

With the wind at their backs, Highfields appeared in control, but the goal that sealed the match came as a surprise.

Dearing saw a chance and hit his right-foot shot from 30m out into the bottom right corner.

Broadmeadow staged a fightback but Shanko was always in position to defend his goal.

Magic coach Richard Hartley put on fresh feet in Steve Kacev and Vasco Aposiolovski late in the match and Brett Macaulay had the chance to finish the match on the field as the replacement for Bailey.

• Bradley Miles gave Edgeworth Eagles the reserve-grade major premiership with a 55th-minute goal to beat minor premiers Hamilton Olympic Warriors 1-0 in the grand final yesterday.

• A last-minute goal by Matt Nolan lifted Highfields to the under-18 major title with a 1-0 win against the Wallsend Red Devils.

Sean Melehan reports: The South Cardiff Gunners overcame a determined West Wallsend challenge to win the second-division final 5-4 on penalties at Jack Neave Oval on Saturday.

In an epic encounter, the scores were locked at 2-2 at the end of the regulation 90 minutes and extra-time failed to break the deadlock.

The Gunners went to the lead in the fourth minute when David MacGregor scored a penalty.

But the scores were level four minutes later when South Cardiff keeper Michael Psarris mishandled in the goalmouth to concede an own goal.

West Wallsend's Jarrod Cooper headed a corner into the back of the net for a 2-1 lead after the break.

But in the final minute, Michael Myles capitalised on some sloppy West Wallsend defence in front of goal to score the equaliser.

The win puts South Cardiff through to Sunday's grand final against the Lambton Jaffas at Macquarie Field, Speers Point.

In reserve grade, South Cardiff defeated Dudley-Redhead 2-0 to get through to the grand final against the Lambton Jaffas.

Dudley-Redhead had better luck in under-19s, ending Budgewoi's season with a 2-1 win which set up a grand final clash against South Cardiff.

1997 Grand Final

Clockwise from above: Highfields celebrates after the grand final; Steve Bland, left, and Wayne Bailey hold the premiership trophy; Glen Moore challenges Mark Beagan as goalkeeper
Craig Shanko looks on; players climb on; players climb to win a header.

Knights face battle for Adamstown Oval

By ANDREW WAUGH
and BEN DRZYGA

ADAMSTOWN Park Ovals board chairman Albert Henderson has a message for Newcastle Knights and council officials hoping to broker a deal for the premier to train on the ground: over my dead body.

As Newcastle City Council and the Knights yesterday continued to say that Adamstown Oval remained a possible training venue for the ARL champion, Henderson launched a scathing attack on both groups.

He said the Knights had already made an application to the Adamstown Park Ovals Committee to train at the ground,

which was unanimously rejected.

'Adamstown Oval is a soccer oval and it's never been used for rugby league,' Henderson said.

'The Newcastle Knights want everything . . . they might have won a football match in a competition with six teams in it, but why can't they train on their own ground?

'I can tell you why. It's because they've got the rugby union there. They should be training on their own ground instead of buggerising everyone else around.'

Newcastle Lord Mayor Greg Heys yesterday told *The Newcas-*

the Herald Adamstown Oval was still a possible training venue for the Knights.

'That is one of the options we are looking at . . . I feel that it is a matter of communicating with the people out at Adamstown and our staff and I'm sure we'll work something out with the ground control committee,' Heys said.

But Henderson warned that any move by the council to overrule the committee's decision would be met head-on.

'We feel very strongly about this and we will continue to oppose it in the future,' Hender-

son said. 'We do the work on the ground, not the council.'

Henderson said the two senior soccer teams already using Adamstown Oval, NBN Soccer League sides Adamstown Rosebud and Broadmeadow Magic, would continue to use the ground.

'The Knights applied to train there three nights a week. Adamstown Rosebud wants two nights and so does Broadmeadow. No one is going to get what they want because if they do, it'll be wrecked by the end of the week,' he said.

The Knights recently bought Adamstown Rosebud Soccer

Club's Bryant St premises and will use the building as their licensed club.

However, as far as Henderson is concerned, they won't touch the hallowed soccer turf across the road.

Knights chief executive Ian Bonnette remained hopeful Adamstown Oval would be made available to his club and praised the efforts of the council in its quest to negotiate a deal.

But Bonnette added his club would be happy to train anywhere with adequate facilities until a proposed elite training facility is

established at District Park.

'If government funding comes through (for District Park) by 1999, then we're only looking at a 12-month basis to find reasonable facilities to train under,' Bonnette said.

'Whether it's Adamstown Oval or some other facility, we are only concerned with getting a ground where we can have some continuity on.'

The Knights have been searching for an alternative training venue after an ongoing saga with residents and inadequate facilities at Smith Park at Hamilton North.

The relationship between the Knights and Newcastle Council was also strengthened yesterday when an agreement was reached on owed rates dating back 10 years at Marathon Stadium.

The Knights will pay the back rates, thought to be worth about \$130,000, over 10 years along with each year's rates.

Heys admitted some of that money could be put towards the District Park centre. That proposal is being considered by the NSW Government's Department of Sport and Recreation.

'If we had to contribute to that development then the fact the Knights are paying their back rates will certainly make it easier for us to do that,' Heys said.

Hunger wins the day

By ANDREW WAUGH

A BURNING desire to win their first NBN Soccer League grand final and key tactical changes guided Hamilton Olympic to a 2-1 win over arch rivals Broadmeadow Magic at Breakers Stadium yesterday.

Olympic coach Greg Smith benched veteran midfielder Peter McGuinness for youngster David Fahey, who scored three goals in Hamilton's 4-2 major semi-final win over Edgeworth two weeks ago.

With Fahey in the side, Smith dropped striker Fouad Umlil back to the midfield, hoping Fahey would again produce the goods.

While initially it seemed dropping Umlil out of the frontline and leaving McGuinness on the sideline might have been a mistake, Fahey justified his coach's faith with a man-of-the-match performance on a waterlogged pitch.

It took just 18 minutes for the youngster to assert his authority, running onto a beautiful long ball down the right flank from Olympic defensive midfielder Adam Sanderson.

Fahey raced to meet the ball on the right corner of Broadmeadow's penalty box and arrived just before Magic keeper Darren Moore to chip into the

unguarded net.

But nine minutes later Broadmeadow showed why it had clawed its way into back-to-back grand finals when left winger Graham Kaiser cracked a cross in which glided past an Olympic defender on the six-yard line and found Magic striker Andrew Tonks.

Tonks slid in to meet the ball and his two-footed shot slammed into Olympic keeper Craig Harris and ballooned into the net.

Broadmeadow were level for just seven minutes when its usually tight defence cracked again, this time in the most unlikely of ways — in the air.

A Trent Austin corner found the unmarked Umlil, who headed to the left bottom corner of the goal past a sprawling Moore.

A near miss from Tonks shortly after the break proved the turning point of the game for Broadmeadow, and while they generally dominated possession in the second half, they didn't look like scoring again.

In reserve grade, Olympic defeated Edgeworth 4-3 in a penalty shoot-out after scores were locked 1-1 after full-time and extra time.

In under-18s, Maitland defeated Olympic 1-0.

Grand final fans were singing in the rain

By ANDREW WAUGH

PERSISTENT rain was never going to dampen the spirits of 2400 hardy Broadmeadow Magic and Hamilton Olympic supporters who flocked to yesterday's grand final.

While officials lamented the downpour, claiming 'thousands more' would have shown up if yesterday's weather had mirrored Saturday's sunny conditions, Olympic and Magic fans lined Breakers Stadium with col-

ourful posters and banners and were in great voice.

And that's why it was a great day.

Suggestions that there might be trouble between the sides or supporters were blown away by a chorus of vocals, bells, horns and whistles.

Whenever one side looked dangerous their contingent would rise and begin singing, only to hear the call of their rivals from a different section of the park.

It was what soccer's all about.

A few celebrities showed up.

Gaming and Racing Minister Richard Face dropped in to watch proceedings, while Melbourne Storm halfback Brett Kimmorley made the trip up to watch mate Graham Kaiser run around with the Magic.

Through it all the rain came down but only the players were feeling that — everyone else was too busy watching them slog it out.

For the winners, Olympic, full-time signalled the end of a season of hard work and the start of long celebrations.

Hamilton families, fans, ex-players and officials were simply stunned by the realisation that the club had just won its first top-flight grand final.

But that lasted only a few seconds before they streamed onto the ground to hug their boys and restart the chant: 'O-lym-pic! O-lym-pic!'

And while Broadmeadow was again left with the runners-up medal, the Magic players and supporters accepted the result and that the better side had won the day.

During the week, Hamilton coach Greg Smith said that if a big crowd didn't show up for the grand final, Newcastle soccer had to face the fact that it had no future.

Rest assured Smithy, it's alive and well.

Fourth time unlucky for Hartley

BROADMEADOW Magic coach Richard Hartley accepted his fourth NBN Soccer League grand final loss in as many attempts in the most graceful of ways.

With a disappointed smile that also contained a hint of resignation, Hartley praised Olympic's tenacity on a day that just didn't go his way.

While he must have experienced some *deja vu* after last year's 3-1 grand final loss to Highfields Azzurri — and the others before that — Hartley was his typically philosophical self.

'It was very disappointing but I think the better team won on the

day,' Hartley said. 'But what else can you do but smile?

'It's that or suicide.

'I thought we played well enough on the day to win the game but full credit to Olympic, well done to them.'

There were signs of just how disappointed the Magic mentor was but he opted not to lay the blame on any player or official, despite a tackle by an Olympic player inside the Hamilton box in the second half that might have been deemed a penalty.

Instead he lamented Broadmeadow's missed chances.

'If Tonksy had put that header away, I thought that would have

changed the day,' he said.

But other than that, Hartley had already turned his focus to the 1999 season and another big campaign with the Magic.

'You work hard to get to a grand final but sometimes it doesn't happen,' he said.

'Now — who are we playing in the first game next year?'

Hartley then rejoined his players, preparing to celebrate a season where Broadmeadow again exceeded everyone's expectations but just fell short of holding the cup aloft.

Win could be start of dynasty

HAMILTON Olympic coach Greg Smith believes the foundations have been laid for his club to become the new powerhouse outfit of northern football.

Smith, speaking after yesterday's 2-1 grand final win over Broadmeadow, said he hoped to emulate past strongholds sides like Weston.

'We hope so,' Smith said.

'We'd like to think that down the track we could do something like that.

'Weston have always been known as a very hard club to play.

'I'd like people to think that when they play Olympic, that they are going to play against a real football team.'

As the Olympic faithful prepared to

swing into party mode, Smith took time out to praise his charges.

He singled out striker David Fahey, who performed sensationally all day.

'Davey's a mud-runner,' Smith said.

'He scored three in the mud for us against Edgeworth.

'It was a very tough game.

'I thought we could have wrapped it up right there at the end.'

And with that, Smith wandered into the Olympic throng to get the serious part of the day — the inevitable celebrations — under way.

No substitute for quality

HAMILTON Olympic striker David Fahey can wear the 'super-sub' tag with pride after scoring a goal and winning the player of the grand final medal yesterday.

Despite scoring three goals off the bench against Edgeworth in the major semi-final two weeks ago, Fahey's inclusion in the Olympic starting 11 over Peter McGuinness came as a shock even to the Hamilton faithful.

And then he went and did it again, finding the back of the net in the 18th minute with a no-look chip that was high enough to beat the hand of the best keeper in the north but weighted well enough to scrape under the crossbar.

He was on the end of everything, nig-

gling defenders and even pausing for a friendly chat with Broadmeadow keeper Darren Moore.

But the slightly built marksman would have nothing to do with suggestions that he was 'the man'.

'Actually I feel really sorry for Pete (McGuinness), he did all the hard work all year,' Fahey said.

'Broadmeadow threw everything at us in the second half but we managed to hang on.

'It was very tiring out there.

'But now it's party time.'

And in the background, the Hamilton horde sung: 'David Fahey, David Fahey, David Fahey...'

Penalty Shoot out Hamilton Olympic won 5x4

Strike weapon: Edgeworth forward Daniel McBreen.

— Picture by Ruth Hartmann

Simply the best: The Edgeworth Eagles have broken a host of records this season and a grand final win would maintain their unblemished record.

Clean sweep at Eagles' mercy

anyone capable of beating Edgeworth?

History suggests that no, they not.

The all-conquering Edgeworth Eagles of 1999 will go down as the most successful side in the history of the Newcastle first-division competition.

Not since the competition's inception in 1886 has any team dominated like the Eagles.

For the record they finished with 64 points from 21 wins and a draw.

The previous-best record was held, funnily enough, by the 1978 Edgeworth side.

They finished with 19 wins and five draws.

There have been only three

sides in the past 50 years who have gone through the season undefeated. The last was the '78 Edgeworth side.

The Eagles' dominance of the record books this season does not stop there.

They are the new owners of the best for-and-against mark, scoring 88 goals at an average of four a game and conceding just 11 at an average of 0.5 a game.

The previous best was set by the 1942 Wallsend Rovers, who scored 84 and conceded 13.

Although not included in the record books, Edgeworth's overall undefeated streak is pushing 40 games.

They won the pre-season Presidents Cup and mid-week Arctic

Cup and did not lose a trial match.

Some have jokingly suggested coach Bobby Naumov should run for mayor because he would probably win that too!

But while Naumov was delighted to achieve so many milestones, he was quick to point out there was still one goal remaining — winning the grand final.

'From a coach's point of view, winning the premiership is the ultimate accolade,' Naumov said.

'It rewards consistency . . . being able to back up week after week.

'We try and set the standard both on and off the field.

'Overseas the premiership is the top priority but here there is a

bigger emphasis on the grand final.

'We are now fully focused on that.'

The Eagles' grand-final campaign starts with Sunday's major semi-final against 1998 grand final winners Hamilton at J. McLaughlan Oval.

Edgeworth have had the worst of Hamilton this season, recording 1-0 and 4-1 victories.

But the Eagles are well aware that finals football is a totally different ball game.

That was evident last season when they were beaten by Hamilton in the major semi-final, though Broadmeadow in the preliminary final.

Quiet Buds keep focus

Soccer

'WE'VE got some good young, fast players who are being shown around the park by a few senior blokes.'

Hardly the description of a team that is one win away from playing a grand final in one of the strongest soccer competitions in NSW.

But that is how Adamstown Rosebud captain-coach Neil Owens likes to keep it — low key.

Adamstown take on Edgeworth in tomorrow's NBN first-division preliminary final at Jack McLaughlan Oval. The winners meet defending premiers Hamilton in the grand final at Breakers Stadium next Sunday.

'Mate, we haven't done anything different all year,' Owens said.

'I've got a good blend of youth and experience and they can all play.'

'To an outsider we may have been considered a surprise packet but I always knew we had the potential to be up there.'

Rosebud will carry the underdog tag into the match. They finished the regular season fourth and lost both encounters to the Eagles.

But Owens is not worried about the team's past performances.

He is more concerned with the 'now' and his own team's game.

'If we can get our

defence in order, the longer the game goes the better our chances,' he said.

Much of the defensive responsibility will fall on the experienced shoulders of Owens, Rocco De Grandis and Marty Lau.

'Rocco has probably been our best player for the second half of the season,' Owens said.

'The more we play, the more solid he is at the back.'

'Marty is no slouch either. He is only 21 but he seems to have been playing first grade for years.'

'They both mark tightly and are reliable.'

Edgeworth coach Bobby Naumov has cast aside the disappointment of last week's penalty shoot-out loss to Hamilton.

'It was a bit of a kick up the backside,' he said.

'We had a chat at training on Tuesday and the boys are pretty fired up.'

● Tonight's trial match between the Newcastle Breakers and Marconi has been cancelled. Constant rain over the past two days has made Macquarie Field unplayable.

● The 2HD second-division grand finals have been postponed to next Saturday at Macquarie Fields. The pitch at Breakers Stadium is too wet due to the inclement weather.

Battered Rosebud captain's send-off to forget

By JAMES GARDINER

THERE was no fairytale ending for Neil Owens — in fact it could not have been worse.

Playing his final game, the Adamstown coach was booked twice in three minutes by referee Otto Scevak for wayward challenges.

He then watched helplessly as his young side's dreams were shattered in a 4-0 loss to Hamilton Olympic. Add that to a cut above his right eye courtesy of a stray elbow and it was not a pleasant farewell at the office.

But the no-frills sweeper still managed to put on a brave face.

There were no excuses, no shooting off his mouth. Just a disappointed shrug of the shoulders.

'Mate, it was not the best way to end it,' was his frank assessment.

'But I'm ready to retire.

'The body can't handle it any more.'

The 33-year-old has a chronic back problem and it takes him up to three days to recover after a game.

Yesterday's loss seemed an inglorious exit for a man who had spent the past 16 years playing top-level football, including two stints in the NSL.

But Owens has not been lost to soccer or Adamstown, having agreed to coach the team next year.

He is mapping out a program to ensure Adamstown's rise continues.

Owens returned to Adamstown in 1998 when they were re-admitted into first division.

He did an admirable job with a bunch of teenage players.

This year the kids rose, with the addition of experienced defenders Marty Lau and Rocco De Grandis, to a new level and Owens was named coaches' coach.

Olympic dream

By JAMES GARDINER

HAMILTON Olympic were like a wrecking ball on a demolition site yesterday as they smashed their way to back-to-back NBN Soccer League grand final victories.

Clinical was the only way to describe Olympic's second-half 4-0 dismantling of Adamstown Rosebud at Breakers Stadium.

It started in the 46th minute when inspirational captain Benn Lane pounced on an Adamstown defensive error inside the box to open the scoring.

Thirty minutes later, what was a gripping first-half arm wrestle had become a demolition.

Lane's close-range shot was crucial at the turning point was the run-off of Adamstown player-

Soccer

coach Neil Owens on 54 minutes.

Even down 1-0, Adamstown did not panic. They retained their shape and kept working away.

Then referee Otto Scevak booked Owens for the second time in three minutes.

The first was for a challenge from behind on midfielder Trent Austin. The second for a late tackle on Corey Filipcevic.

Without Owens, Adamstown lost direction and any hope they had of a fairytale season end.

Cracks started to appear in their defence almost immediately.

Filipcevic knocked the second hole in the Buds' wall in the 60th

minute with a cracking 25m shot.

Nine minutes later, the match was as good as won when Lane, who won the Dave Williams medal for the player of the match, side-footed past keeper Geoff Callinan to complete a double.

Filipcevic finished the job with a 20m drive in the 71st minute.

Hamilton coach Greg Smith praised his troops' commitment.

'This is what it is all about,' he said as the 'O-lym-pic' war cry roared in the background.

'You work so hard all year for this moment. Most people don't realise what we went through to get here.'

'From last year's grand final starting line-up, there were only three there today. We were gutted

at the end of last season, I lost leading goalscorer Rob [unclear] with a knee reconstruction.'

Smith gave credit to the town.

'They played some very football in the first half,' he

'We were a bit cautious at them far too much room. Finding Neil and being down to grand final makes it very tough.'

'It was probably a tough day on Neil. There were plenty of similar challenges ... and you have to be consistent.'

● Gavin Ward scored from penalty spot to give Edgevale 1-0 win over South Carolina reserve grade.

Hamilton hail their mighty decade rise

By STEWART ROACH

WHAT a decade. Ten years ago Hamilton Olympic celebrated their first soccer premiership — in fourth division.

Yesterday they added to a sequence of club firsts when they beat next door neighbours Adamstown Rosebuds 4-0 to claim their second straight Northern NSW Soccer Federation first division championship.

A brace of goals each by David Williams Medal winner Ben Lane and Corey Filipcevic in the second half sealed the win against a struggling Adamstown, a man short after frustrated captain-coach Neil Owens was given his marching orders for two yellow cards.

'We battled for years to win our first title then were

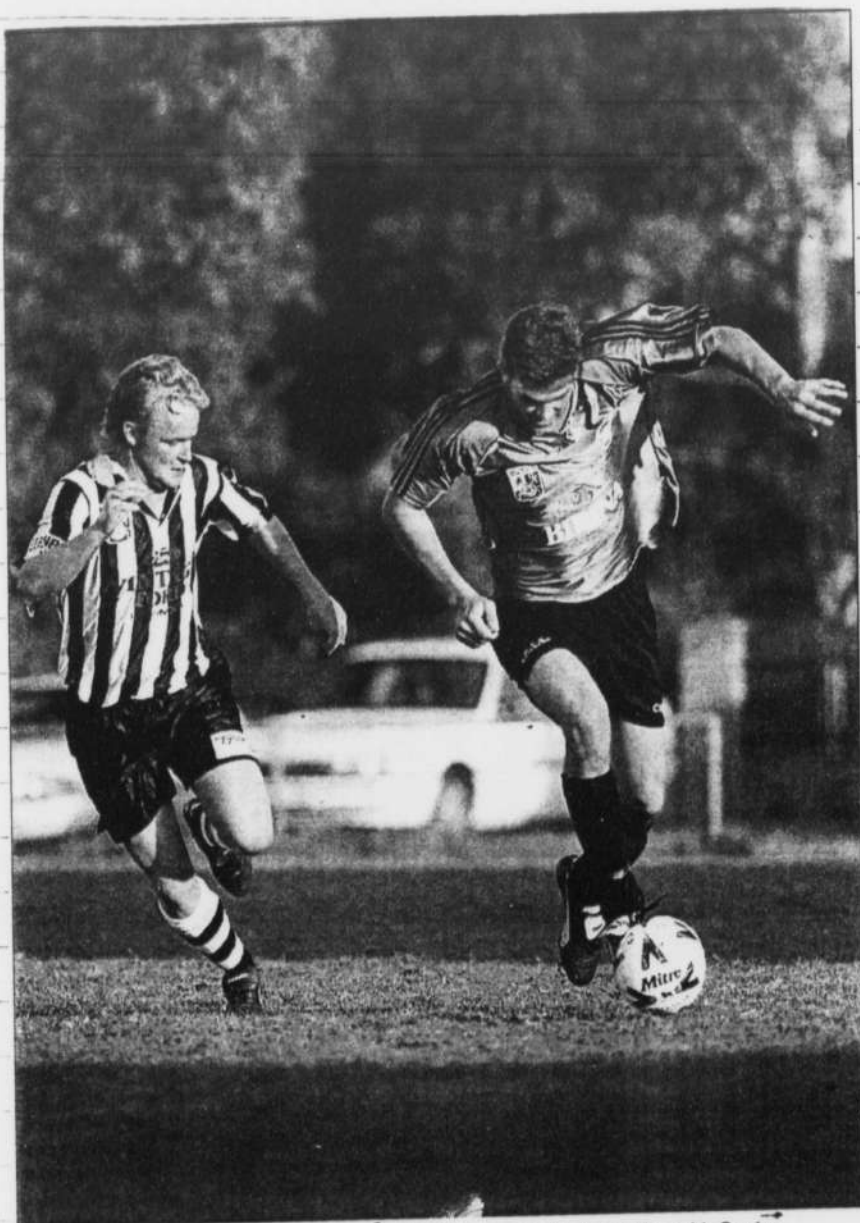

the first team to win consecutive championships through the grades to qualify for first grade,' Olympic secretary Con Gounis said.

'We won fourth division 10 years ago, third division the following year then second division to get promoted to the top grade.

'Last year was just fantastic to take the title for the first time and today was just as big a thrill.'

Breakers Stadium has been a happy hunting ground for Olympic, who used the former Austral Park as home ground when they joined the Federation 25 years ago.

Yesterday was the second time the revamped Breakers Stadium was used for the premiership finale, both won by the Warriors.

Bolch departs Dudley with grand final sweep

By JAMES GARDINER

OUTGOING Dudley-Redhead coach Michael Bolch capped off an amazing season by leading the club to a sweep of all three second-division grand finals on Saturday.

Bolch will take over the coaching reins at first division club Belmont-Swansea next year but ensured he left Dudley-Redhead on a good note.

Dudley-Redhead scored three second-half goals to topple Budgewoi 4-0 in first grade.

In reserve grade they scored a goal either side of the break to beat West Wallsend 2-1 and it was a repeat in under-19s.

'It has been a few years

since one club has been that strong,' a delighted Bolch said.

'It is a credit to the boys.

'They put the hard work in all year and got the benefit.'

Talented striker Mark Emslie opened the scoring in the sixth minute when he tapped in from close range.

They extended the lead to 2-0 in the 54th minute when Marc Oliver nodded a shot past retiring Budgewoi goalkeeper Craig Grills.

Substitute Stuart Kaiser sealed the victory in the 74th minute with a deceptive strike.

Stuart Smith completed the rout in the 85th minute.

Westy
boasts a proud
history.

By Jack Mathews(Newcastle Herald)

Football has a long and proud history in West Wallsend district from the days of Minmi Rangers, Blue Bells and then that great team of the early 1920's.

From the start and right through to the era of greatness, the players gave everything to football as they gave in their industrial struggles, since they were mainly associated with the coal industry.

They were amateurs in the purest sense-they often sacrificed money when they left the pit early to play an important game.

While this spirit of sportsmanship has long gone, enthusiasm for the code remains; and the oldtimers who are left often watch the juniors, always hoping they may some day recapture some of the club's former greatness in football.

Records show that West Wallsend won the Gardiner Cup in 1900, 1901, 1921, 1923, and 1924, (it was discontinued in 1929.) The club had for many years four teams: seniors, third grade, under 18 and under 16.

West Wallsend, was well represented in the Newcastle team that played a one-all draw with Canada on May 5, 1924. They were Jack Coutts, Henry Maunder, Tommy Coates, Bill "Podge" Maunder, Tommy Sinclair, Podge Maunder scored for Newcastle.

Later, West Wallsend played Canada at the old Tramway Ground at Hamilton to gain the club's greatest victory. It won 3.0 Jack Coutts was in goals. Frank Hays, Henry Maunder, Frank Coolahan, Clarrie Coutts, Bill Smith, Tommy Coates, Bill Erickson, Tommy Sinclair, Les Brown, Podge Maunder, Harry James, was selected but could not play because of a family death.

On June 21, 1924, West Wallsend had six players in the Newcastle team that beat Queensland 3.0.

The club was also well represented in the representative team that played Czechoslovakia at Hobart Park 12 months later.

It was yet another example of the recurrence of the names of Coutts, Maunders, McLACHLAN, Coolahan, James, and Coates.

The 1926 final of the Stevenson Cup played against Kurri Kurri at Cessnock ended in a 3 all draw.

But a week later, West Wallsend, playing with the same team won the replay 8-1.

This was another vintage year for the club, which beat Balgownie-Corrimal in the Gardiner Cup final 3.0

Westy players were in the Australian team that scored a 1-all draw with China at Hobart Park on 23 March, 1927.

The exploits of the "greats" of the past, and they include the late James Curran, are often recalled at West Wallsend Bowling Club, where some of the oldtimers gather either for a roll or a yarn.

They include Mr Bill Smith who has lived all his 75 years except two weeks at West Wallsend.

He worked in mines for 46 years-West Wallsend, Seaham NO.2, Stockington NO.1. At Seaham he worked alongside the late

Mr. Tom "Bondy" Hoare, the former President of the Miner's Federation for many year's.

Isaac Hoare, a brother who became a district check inspector, also worked at the mine.

Mr Smith joined West Wallsend seniors in 1919-the year West Wallsend was beaten in the final of the Gardiner Cup at Sydney Sports Ground by Balmain-Fernleigh 3-1

A left half back, Mr Smith played with Westy in three Gardiner Cup finals, winning three and losing two.

The other loss was to Granville 1-0.

Mr Smith remembers the great day the team beat Canada at Hamilton, Tramway ground 3-0.

"The game closed the pits for most of the day he said.

"Most of our boys left the mines early to catch a steam tram to Hamilton.

"Trams were the only method of transport ;The people sat everywhere on the trams, even on top.

He said that on the previous Saturday Canada had played Newcastle.

There is no doubt that 'Podge Maunder was the greatest centre forward on this day in NSW. The "Westy" team would knock spots off any team that is playing now."

Mr Charles "Wagga" James born at West Wallsend 67 years ago, played junior football before joining the seniors from 1931.

Keeper reached his goal

Bill Rorke

BILL Rorke was always keen on soccer and it was his ambition to become a top player.

The Kearsley-born sportsman picked up his early soccer skills at Kearsley Primary School.

At 16 he was playing for Kearsley all-age team in the Northern second division competition.

He left Cessnock High School at the age of 14 and worked in a

bakery and a coalmine before moving, at the age of 17, to Sydney to play soccer for the Bankstown club.

It took only a year before the NSW selectors took notice of his talent and selected him for the State side.

A year later, aged 19, he was in goal for the national team and went on to represent Australia in two World Cup campaigns.

At the time of his selection in the national team he was the youngest player to have donned the Aus-

tralian soccer colours.

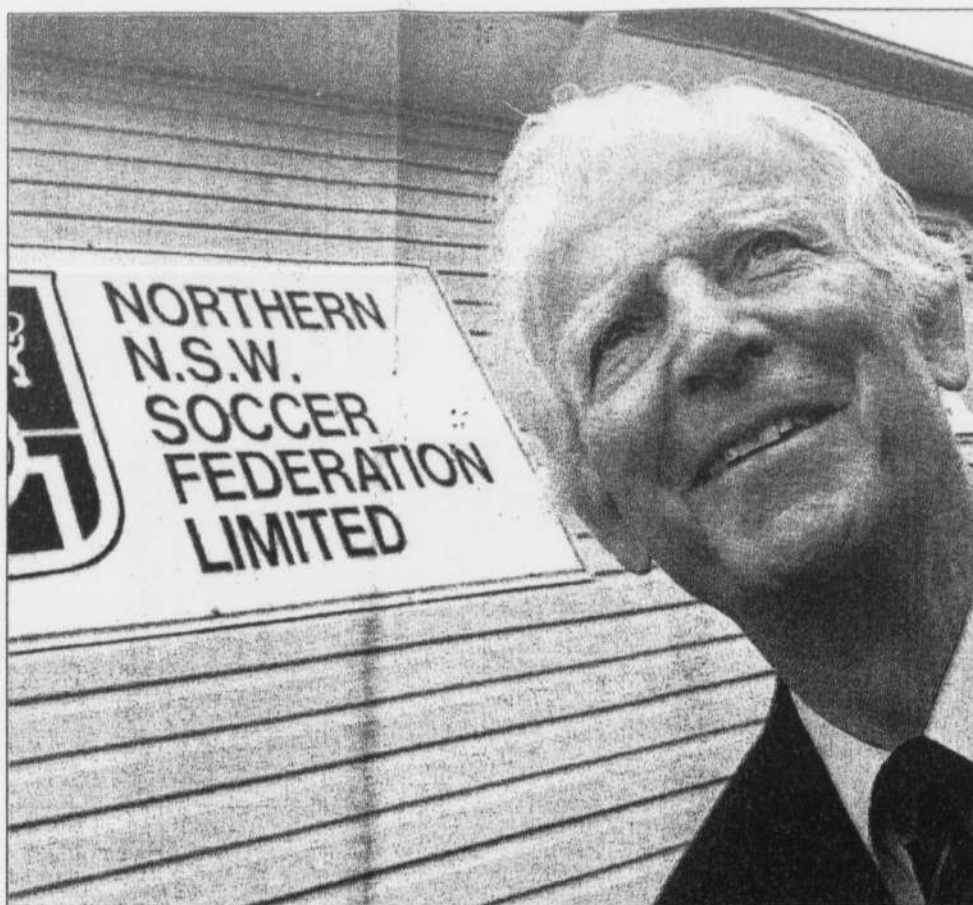

In 1966 he was a member of the first Australian team to compete in the World Cup.

In that competition Australia was eliminated by North Korea.

A shoulder injury eventually forced him out of the sport at the age of 28.

He turned his energies to business and is now a very successful businessman.

Between soccer seasons Bill Rorke played A-grade tennis in Sydney.

AN idea Bill Turner had in 1979 has led to him receiving one of Australia's most prestigious soccer awards.

Coincidentally, the award has come on the eve of the finals of the Bill Turner Cup at Jack McLaughlan Oval on Wednesday.

When Turner started the under-15s competition, there were a mere 34 schools involved, with Belmont High defeating Whitebridge to win the inaugural cup.

The competition has since grown dramatically in the eastern states, with 615 schools competing this year. A record of 738 schools contested the 1998 knockout cup.

"We couldn't run this competition but for the teachers who joined me," said Turner, who was a schoolteacher when he came up with the idea.

"The fact that the other teachers shared the vision, not just with a nod of the head but with hard work, has made the competition the success that it is."

Turner has been inducted into the Australian Soccer Hall of Fame for his work in the high-schools cup and for his 36 years of refereeing.

Fellow Northern NSW Soccer identities Sid Grant and Arthur Roberts were also inducted.

"I'm grateful of being nominated and I see the Bill Turner Cup as part of that award," Turner said from the Northern NSW Soccer Federation office. "The other part came through my refereeing, which I thoroughly enjoyed."

Turner retired from refereeing and other administration duties six years ago and has spent many hours organising the cup that bears his name.

The cup was named after him at a development meeting, in his ab-

sence, by the group which became known as Northern NSW School Soccer.

The Northern NSW Soccer Federation has been a long-time supporter of the competition with Soccer NSW, Soccer Queensland and Soccer Australia endorsing the tournament.

Plans are well advanced to introduce South Australia and Victoria into the event, with Western Australia running a satellite tournament later this year.

Hunter Sports High carry the banner for Newcastle in this year's cup and will play Palm Beach Currumbin in Tuesday's first semi-final. The second semi, also on Tuesday, is between Concord High and Bellambi's Holy Spirit.

The Bill Turner Trophy was introduced last year for girls and on Tuesday Cessnock High will play last year's runners-up, South Grafton High, while Westfields Sports High tackle Crookwell High.

Olympic claim title and place in history

By RENEE VALENTINE

HAMILTON Olympic equalled Weston's record of four successive Northern NSW State League grand-final victories when they overcame Highfields Azzurri 2-0 at Jack McLaughlan Oval yesterday.

Olympic coach Greg Smith said yesterday's triumph was the hardest of the four grand finals, before vowing that Hamilton would be back next year to make history with five straight premier-ships.

Weston dominated the competition in the 1970s when they recorded four consecutive grand-final victories.

'That was the hardest one to win because the word around the ground was that most people wanted Azzurri to win,' Smith said. 'So it was more important for me to win this one.'

'They had a couple of good chances but Liam Baker did well for us, and I knew the longer they went without scoring, the harder it was going to be for them.'

Azzurri gave a brilliant account of themselves in the first half, but a lacklustre second-half performance indicated they had played their grand final one week early.

The young outfit started with plenty of fire but made it hard for themselves by wasting opportunities in front of goal.

Their fairytale season came to a sudden, unhappy end for Highfields coach Steve Piggott, who admitted his side's intensity went missing yesterday.

'I was disappointed that we didn't win, but I was more disappointed that we didn't give a good account of ourselves, and we didn't play our best football when it really mattered,' Piggott said.

In the eighth minute, Hamilton defender Mick Allen cleaned up a wayward strike from a Craig Wallwork free kick.

Wallwork won the free kick when Azzurri playmaker Josh Maguire was penalised for a bad tackle on the hard-working Hamilton midfielder.

Wallwork had a shot at goal, but the ball hit the far post and bounced back into play to Allen, who cleaned up from the edge of the penalty box.

Dynamic defender Paul Wheeler created well from his role at sweeper, and Maguire instigated most of Azzurri's attacking play.

But all of Azzurri's shots went straight to Baker, who was named player of the finals.

Olympic gun Evis Heath put the finishing touches on the game for Hamilton when he scored a scrappy goal 20 minutes into the second half.

Hamilton skipper caps off special week

IT was a perfect day for Hamilton captain Mat Austin yesterday when he celebrated his first Father's Day with his fourth grand-final victory in four years.

Austin became a father for the first time on Friday when his wife, Natalie, gave birth to their son Mackye.

'It has made my weekend,' Austin said.

'It was perfect timing, and it made it all the more special this time around.'

There was concern in Olympic's

camp earlier in the week when the Austin baby had not arrived on schedule that he would not put in an appearance for the decider.

But Mackye was born two days before the grand final and put Olympic minds at ease.

Austin left shortly after the match to John Hunter Hospital with the winner's trophy to show his new family.

The former Newcastle Breakers player said winning the trophy for the fourth time was just as satisfying as the first.

'It was definitely a tougher match this time, but I knew we had it won with about 20 minutes to go,' Austin said.

Austin, who dyed his hair blue for the occasion, busied himself throughout the game, marshalling his players around the park from the defence.

It was rumoured at last week's State league awards night that Olympic would lose several players next season, but Austin said yesterday everyone would be staying on.
